ProFlex 375 Small Foam Kneeling Pad - 1in

FEATURES

- **DURABLE FOAM PADDING** – Made with high density, thick NBR foam rubber that will not compress over time, protecting knees against hard surfaces
- **LIQUID RESISTANT** – Water resistant and petroleum resistant construction make it perfect for everything from bath time to work in the garage
- **LIGHTWEIGHT AND PORTABLE** – Knee cushion is lightweight and has a built-in handle making it easy to carry and transport, and a convenient way to hang for storage
- **MULTIFUNCTIONAL** – Use to support and alleviate pressure from other areas: cushion elbows, shoulders, and hips when working in tight, constrained, twisted postures
