

WH SS-C4 QP Ultra Low Headroom Trolley Hoist

Features:

- Extremely low headroom for use where space is limited
- Efficient hoist drive train minimises the effort required to operate the hoist
- Fitted with the WH SS-C4 QP Quad Pawl offshore chain hoist
- Marine paint corrosion protected to International Standard ISO12944 - Category C5
- Fitted with drop beam flange guides
- Grade 8 lifting points fitted on each corner of the Ultra Low Headroom Hoist (ULHT) to aid with manual handling
- Fitted with fully compliant Grade 8 calibrated load chain to EN818-7
- Bottom hook stamped with the manufacturer's mark 'HA' and traceability code
- The trolley is supplied with universal trolley wheels to suit both tapered and flat flange beams. The trolley can be fitted with tapered or flat wheels as an option upon request
- The trolley design incorporates integrated anti-drop and anti-tilt features
